

Active UIC Program Guidances

No.	Title
13	RCRA/UIC Interface Issues
14	Memorandum of Agreement for the Underground Injection Control (UIC) Program
16	Attorney General's Statement, Underground Injection Control (UIC) Program
18	Definition of a Major Facility
19	Guidance for State Submissions Under Section 1425 of SDWA
22	Changes to Construction Plans Occurring during the Drilling of a Well
23	Corrective Action Requirements
24	Permitting Multi-Purpose Wells
25	Casing and Cementing Requirements for Existing Class II Wells
26	Five-Year Review of Class II and III Permits
27	Requirements Applicable to Wells Injecting into, through, or above an Aquifer which has been Exempted Pursuant to § 146.04(b)(4)
28	Appropriate Classification and Regulatory Treatment of Experimental Technologies
29	Consolidation of Permitting Procedures for Multiple Wells
30	Interim Guidance for Overview of the UIC Program
33	Guidance for UIC Implementation on Indian Lands - Part 1 - Public Notification and Hearing Schedule
34	Guidance for Review and Approval of state UIC Programs and Revisions to Approved State Programs
37	Maximum Injection Pressure Requirements for Class II Enhanced Recovery Wells and Wells Disposing of Produced Brines
38	Casing and Cementing Requirements for Enhanced Recovery and Hydrocarbon Storage Wells
39	Guidance for Financial Assurance for Federally-Administered UIC Programs
42	UIC Grant Guidance, FY 1986
44	(Combined with #45) Ramification of Section 206 HSWA 1984 to Class I HW Wells
45	Interim Guidance Concerning Corrective Action for Prior and Continuing Releases
46	Class I Permit Conditions Guidance
49	UIC Permit Appeals Procedures
55	Assuring Continued Compliance of Rule Authorized Class II Wells in Primacy and DI States
57	Draft of the RCRA Authority/Corrective Action Guidance
58	Procedure for Interpreting Whether or Not a MIT Failure or Excess Injection Pressure is Reported as Significant Non-compliance
61	Justifying Alternative Methods to Prove Mechanical Integrity Pursuant to 40 CFR Section 146.8(d)
62	Identifying and Prioritizing Enforcement Cases at Class V Wells and Available Enforcement Options
64	Annual Compliance Review of Wells Permitted or Authorized by Rule under the UIC Program
65	Guidance for Financial Responsibility in Federally-Administered UIC Class II Programs
67	Revised Owner/Operator Handbook for Class II Financial Responsibility Demonstrations

No.	Title
69	Guidance for Case-by-Case Extension Petitions for Class I Hazardous Waste Injection Wells with Submitted No Migration Petitions
71	Determination of "Hazardous Levels" for "No Migration" Demonstrations Pursuant to 40 CFR Section 148.20
72	Tracking Compliance with Administrative Orders in the PWSS and UIC Programs
73	Incorporation of UIC "No Migration" Petition Conditions into Class I Hazardous Waste Injection Well Permits
74	Modification of Class I Hazardous Waste Injection Well "No Migration" Exemptions
75	Final UIC Program Administrative Order Settlement Policy
76	Follow-up to Loss of Mechanical Integrity for Class II Wells
77	Operating, Monitoring, and Reporting Guidelines for Class II D Commercial Salt Water Disposal Wells
78	Management and Monitoring Requirements for Class II Wells in Temporary Abandoned Status
79	Interim Final UIC Program Judicial and Administrative Order Settlement Penalty Policy
80	Final Guidance on Emergency Authority Under Section 1431 of the Safe Drinking Water Act
81	UIC Class I SNC Redefinition
82	Well Classification Guidance for Downhole Hydrocarbon/Water Separators
